### Emissions reductions activities

To continue our progress towards achieving net zero we have set a number of activities to reduce company emissions. These include:

- Building awareness amongst our staff of the impact of their decisions on our journey towards net zero.
- Reduce business travel by rail, air and coach through effective use of remote working.
- Switch to using EVs for business travel.
- Encouraging staff to cycle.
- Remain a paper free business.
- Develop new relationships with local suppliers where possible to reduce freighting emissions.
- Fully offsetting our carbon so that we remain a net zero company as we grow.
